RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This is in response to the Restriction Requirement mailed May 8, 2003.

Restriction/Election

Applicants elect for examination Group III, claims 29-74. ✓

✗ Please cancel without prejudice non-elected claims of:

Group I, claims 1-14, 90-92, 111-115, and 126;

Group II, claims 15-28, 90-92, 111-115, and 126;

Group IV, claims 75-89 and 98-110; and

Group V, claims 93-97 and 116-125.

Applicants respectfully traverse the Restriction Requirement. All claims are sufficiently related so as not to impose an undue burden on the Examiner to search the related groups. Specifically, the claims all share a common special technical feature of products or processes directed to control of stress cracking properties.

Inventorship

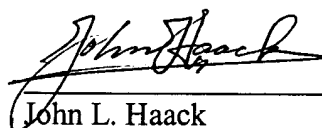

Applicants respectfully note that in view of the above election and cancellation of claims the inventorship of the originally named inventors is revised as discussed in the accompanying Correction of Inventorship Under 37 CFR 1.48(b).

Conclusion

It is believed that this application is in condition for examination. Early notice to this effect is earnestly solicited.

Respectfully submitted,
